

©DEPICTION, LLC 2020

The Tide To Town Urban Trail System will be a protected network of walking and bicycling trails connecting all of Savannah and Chatham County, from the heart of the city to our marshes and waterways.

**TIDE
TO TOWN**

Tide To Town will provide a safe place for all ages and abilities to walk, bike, run, skate, play, and explore

Over 30 miles of paved paths and trails to everyday destinations – including 30 schools, 3 major hospitals, and 62 neighborhoods

Promotes community health and well-being, equity, quality of life, economic vitality, and independence

WHERE WILL THE TIDE TAKE YOU?

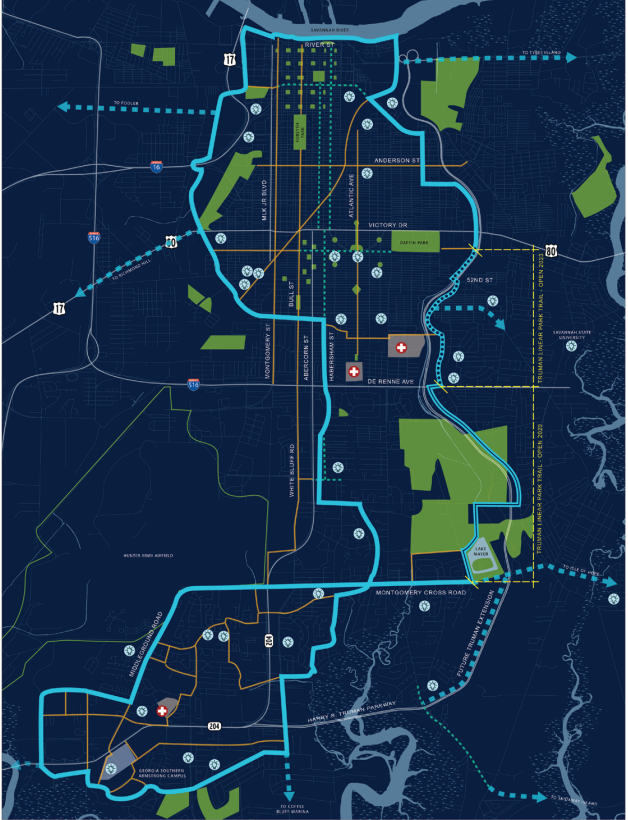

TIDE TO TOWN

URBAN TRAIL SYSTEM

PHASE 1a FUTURE PHASE FUTURE CONNECTION EXISTING BIKE LANE SCHOOLS HOSPITALS

Tide To Town is a beneficiary of the REACH (Racial and Ethnic Approaches to Community Health) grant awarded by the U.S. Centers for Disease Control (CDC) to the YMCA of Coastal Georgia and Healthy Savannah. This grant provides funding for education, outreach, and development of Tide To Town with a focus on access for low-wealth neighborhoods and schools.

Working with community partners, including the City of Savannah, Chatham County, Savannah-Chatham County Public School System, Chatham Area Transit, neighborhood groups, and other stakeholders, Tide To Town will provide activity-friendly routes to everyday destinations. Join us!

Follow The Progress!
