

## Current Healthy Savannah Volunteer Opportunities

### 1. Faith Walk Volunteer Support

We are looking for volunteers to assist with our upcoming Faith Walk event on Sunday, May 3 from 3:30 pm to 6:00 pm. The walk will be held at Lake Mayer Community Park (1850 E Montgomery Cross Rd). Please sign up by scanning the QR code on the attached flyer.

Volunteers will help with:

- Event logistics
- Staffing the sign-in table
- Ensuring the event runs smoothly and as planned

Your support will help create a welcoming and organized experience for all participants.

### 2. Mobility in Photos Volunteer (Photo Walker or Storyteller)

We are also recruiting volunteers for *Mobility in Photos*, our Photovoice project focused on physical activity and the built environment. Volunteers will serve as “photo walkers” or storytellers and help by:

Photowalkers-

- Taking photos of parks, walking trails, neighborhoods, sidewalks, and surrounding areas
- Documenting barriers and assets related to walking and physical activity
- Supporting our efforts to assess and improve access to safe, active spaces in the community

Storytellers-

- Document your everyday physical activity experiences as a resident of Chatham County.
- Reflect on changes that Healthy Savannah can advocate for based on your lived experience.
- Share your perspective using photos, videos, and other related visual methods.

This opportunity is great for anyone who enjoys walking, photography, or advocacy for healthier neighborhoods.

If you're interested in volunteering for one or both opportunities, please reply to this email and let us know which opportunity you'd like to participate in. Additional details and next steps will be shared with interested volunteers.

Thank you for your continued support of Healthy Savannah and our mission to make healthy choices easier for everyone.
